

Hull and East Yorkshire Combined Authority Forward Plan of Decisions

The Forward Plan is an indication of future decisions. It is subject to continual review and may be changed in line with any revisions to the priorities and plans of the Hull and East Yorkshire Combined Authority. It is re-published on a regular basis to reflect such changes.

Purpose

The Forward Plan sets out all the known decisions to be taken by the Combined Authority Board, Advisory Committees or by way of a Mayoral Decision Notice in the coming months. This makes sure that local residents, businesses and other organisations know what decisions are due to be taken and when. The Forward Plan is a live document which is updated regularly and published on the Combined Authority website (click the 'Forward Plan' button to view). At least 28 clear days' notice will be given of any key decisions to be taken (see below for meaning of "key decision") unless there are circumstances as to why this timescale is impracticable, in such cases the Authority has processes in place to ensure transparency in its decision making.

Commitment to Transparency

Hull and East Yorkshire Combined Authority is committed to the benefits that transparency can bring to effective decision-making, recognising that increased transparency can have a positive impact on performance, efficiency, accountability and delivering greater value for money. The Forward Plan therefore seeks to positively enable transparency by going beyond the publication of just key decisions. For transparency, the Forward Plan sets out all key decisions and seeks to set out all non-key decisions and update reports to be considered within the Authority's formal governance arrangements.

In accordance with the Combined Authorities (Overview and Scrutiny Committees, Access to Information and Audit Committees) Order 2017 (as amended), at least 28 clear days' notice, excluding the day of notification and the day of decision taking, must be published on the Forward Plan of any intended key decision. In the further interests of transparency and driving greater accountability the Hull and East Yorkshire Combined Authority seeks to publish details of expected decisions at the earliest

opportunity. In circumstances where there needs to be a decision made for which it is impracticable to meet this 28 day requirement we will publish the notice as soon as possible complying with our Constitution.

Exempt information need not be included in the Forward Plan and confidential information cannot be included. There may be times when a decision has not been published in the Forward Plan 28 days in advance. This is usually because the matter is urgent, and a decision has had to be made quickly. These decisions can still be made but are subject to the exemptions set out in our Constitution in the Access to Information Rules.

What is a Key Decision?

The definition of a key decision is found in law and in our Constitution. Our Constitution in Article 13: Decision-Making refers to a key decision as meaning a decision, which is likely to: (a) result in the Combined Authority or the Mayor spending or saving a significant amount, compared with the budget for the service or function the decision relates to (currently £1 million) ; or (b) have a significant effect on communities living or working in an area made up of two or more wards or electoral divisions in the Combined Authority area.

When assessing whether or not a decision is a key decision, Officers and Members must consider all the circumstances of the case. However, a decision which results in a significant amount spent or saved will not generally be a key decision if that amount is less than £1,000,000. All key decisions by law must be published on the Forward Plan.

Access to reports

A report will be available to view online one week before a decision is to be taken. You are entitled to view any documents listed on the Forward Plan after publication, or obtain extracts from any documents listed, subject to any restrictions on disclosure. There is no charge for viewing the documents, although charges may be made for photocopying and postage. The simplest way to access reports is via the Combined Authority website: [Hull and East Yorkshire Combined Authority/Governance and Meetings](#), here you can visit the agenda content for all published meetings. The Forward Plan will state if any reports or appendices are likely to be exempt from publication or confidential and may therefore be discussed in private.

If you wish to make representations that a decision which is proposed to be taken in private session should instead be taken in public session, then please contact the Monitoring Officer via: info@ca.hullandeastyorkshire.gov.uk at least 5 working days before the decision is due to be taken.

Notice of decisions

Notice of the decisions taken by the Combined Authority and its committees will be published online within three days of the meeting taking place.

Mayoral Decision Notices and Officer Decision Notices

All Mayoral and Officer decisions that are key decisions require the completion of a Decision Notice; these will be published on our website. Any other Mayoral decision that is taken will also be published and marked that it is not a key decision. The Monitoring Officer will publish any such notice on the Forward Plan on the Combined Authority's website at least 28 clear days before the key decision is due to be taken.

Standing Items

It can be taken that each Combined Authority meeting and formal committees will begin with Apologies, Declarations of Interest, and Minutes of Previous Meeting. Where public question time provision exists that will also be undertaken. For further enquiries regarding the Forward Plan please contact louise.hawkins@ca.hullandeastyorkshire.gov.uk

5	UKSPF	Key Decision	As detailed in the UKSPF paper at the inaugural HEYCA meeting the allocation methodology for year 4 of the UK Shared prosperity Fund changed significantly. This led to an overall cut in the fund, which disproportionately impacted on the East Riding. Hull City Council saw a 19% cut to the revenue allocation, while East Riding of Yorkshire Council saw a 48% cut to the revenue allocation. It was agreed that East Riding of Yorkshire Council could make a request to HEYCA to top up their revenue allocation from the Mayoral Investment Fund so that it has the same level of revenue funding as Hull. This report makes the case for this increase to revenue funding.	n/a	No	-	Julian Neilson s73 Officer	None	None
